FROM: Police Officer Christopher TALIAFERRO #14979
Investigations Division

SUBJECT: Telephone Contact with Complainant [REDACTED]

ALLEGATIONS: The complainant [REDACTED] alleges that on 28 February 2012, at approximately 0545 hours, at [REDACTED] the accused officer failed to arrest an offender whom had broken into the complainant's place of business and failed to provide a police report to the complainant.

On 26 March 2012, at 1700 hours the undersigned successfully contacted the complainant, [REDACTED] regarding this investigation. After explaining the investigative procedures and the mandates of 50 ILCS 725/3.8, [REDACTED] informed the undersigned that she did not wish to pursue an investigation against the accused officers. [REDACTED] further stated that she believed that the officer did a good job and did not know why the allegations were initiated against the officers. [REDACTED] stated that she went into the police station to simply inquire as to what to do if they received a Burglar Alarm Citation, where in fact the alarm was activated as a result of a legitimate break-in.

[REDACTED] stated that because she did not initiate the allegation and believes that the officers did their job, she did not want to come into the Bureau of Internal Affairs to sign neither a sworn affidavit nor a letter of declination.
